Yes, Release Phone  
Number to buyer

A maximum of ten (10) items may be listed for consignment at any one time. The Seller must indicate the asking price. If the seller wants to negotiate a different price, they must answer "Yes" when asked if they want their phone number given to a prospective buyer. The seller and the buyer will negotiate the new price, directly. All unsold items dropped off at the country store that the seller wants back **must be picked up by the seller by 4PM on Saturday**. Any sale items left after 4PM will be disposed of by either trash or giveaway. Unsold Items that were donated to the Country Store to sell will be either given away or kept until the next annual swap meet. There is very limited storage available. Items placed in the Country Store will be displayed on open counters available for inspection by members of the public. The seller recognizes the Flea market is crowded with literally thousands of attendees, many of whom are potential customers. While this environment increases the chances of sales at a favorable rate, it involves the risk that a commodity might get lost due to theft of mistake. It is simply not possible for the volunteer Country Store clerks to provide complete protection against loss or theft. In placing your item for sale in the Country Store, you accept the risk that your item(s) might get lost, damaged or stolen due to the nature of the market process. You agree to indemnify and hold Mike and Key Amateur Radio Club, its officers, agents and volunteers harmless from any claims of loss or damage whatsoever, including but not limited to consequential damages arising out of this transaction. Payment for any items sold will be mailed to the address above. Allow a week to 30 days for processing.
